

---

Dear Customers,

The health and safety of our customers, team members, and community where we live and serve is our top priority. With the novel coronavirus (COVID-19) having an increasing impact across the country, we want to share directly with you the proactive steps we have in place to protect the health and safety of our customers and team members.

We have increased the cleaning and sanitation of our shop, and are taking additional precautions to help maintain a clean and safe environment. We have also instructed all our team members who may experience cold or flu like symptoms to stay home.

We remain committed to serving our customers and are taking any steps to implement any measure to promote the health and safety of our customers, team members, and community.

Sincerely,
